

VETERANS ASSISTANCE  
COMMISSION OF COOK COUNTY

# CALL FOR VOLUNTEERS!

BE THE CHANGE IN YOUR  
COMMUNITY TODAY

## Your Support Makes All The Difference

The **VACCC Volunteer Program** unites Veterans and Veteran family members across Cook County who are ready to give back to those who served.

Volunteers support the mission by attending community events, assisting with outreach efforts, and helping with programs across the county. Serving as trusted community connectors, often the first point of contact for a Veteran seeking help, they play a vital role in strengthening local support networks.

With structured training and guidance from VACCC staff, volunteers help triage concerns, provide accurate information, and connect Veterans to the appropriate resources. Together, we ensure no Veteran has to navigate the system alone.

## HELPING VETERANS TO

- ✓ Connect with our VSOs
- ✓ Understand VACCC Services
- ✓ Learn about our trusted Partners
- ✓ Receive help with Emergency needs
